SANDS' SARSAPARILLA,
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, or habit of the system, viz:—

Scrofula, or King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples, or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stomach Ulcers, Syphilitic Symptoms, Sciatica, or Lumbago, and Diseases arising from an impure blood of Mercury, Aches, or Dropsy, Exposure or Impurity in Life—Also, Chronic Constitutional Disorders will be removed by this Preparation.

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally (but the afflicted particularly) have been made acquainted with its usefulness, in the removal and cure of diseases having their origin in an impure state of the blood. The Sarsaparilla is composed of the most powerful ingredients, all of which are held in the highest estimation by the most distinguished physicians.

It is a mild aperient and tonic, it contains the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all internal disorders, organic, but springing from a diseased circulation, give way before its hygienic influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

New York, April 22, 1846.
Messrs. A. B. & P. Sands: Gentlemen:—Feeling it my duty to you and to the community at large, to send you this certificate of the all-healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay.

I was troubled with a severe ulcer on my ankle, which extended half way up to the knee, discharging a very offensive matter, itching, burning, and depriving me often of my rest at night, and very painful to bear.

I was recommended to use your Sarsaparilla by Mr. J. McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have never seen nor felt the slightest reappearance of it, and that I am entirely well.

Yours very truly,
SARAH MINTYRE,
240 Delancy street, New York.

MAILED, Ala. Nov. 28, 1845.
Messrs. SANDS:—I deem it an act of justice to myself and the community at large, to relate the following fact, which occurred in our neighborhood in the latter part of last year. I was a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. I suffered entirely at this, but she said it was really so, and gentlemen, in a word, in two weeks from the time she commenced using it, there was neither sign nor appearance of where the sore had been.

Yours, respectfully,
J. G. HOUSEMAN, 93 Dauphin street.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

Prepared and sold, wholesale and retail, by A. B. & P. SANDS, Wilmington, Del., 100 Fulton-st., N. Y. Sold also by Wm. Shaw, Wilmington; E. J. Hale, Fayetteville; J. Dismay, Newbern; Williams, Haywood & Co., Raleigh, N. C.; E. B. Rotch, Greenville, S. C.; Hayland, Harrell & Allen, Charleston, S. C.; and by Drug-gists generally throughout the United States. Price, \$1 per bottle; six bottles for \$5.

I have respectfully requested to remember that it is Sands' Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult cases of diseases to which the human frame is subject, therefore ask for Sands' Sarsaparilla, and take no other.

Plantation for Sale.
IN BRUNSWICK COUNTY, 12 miles from Wilmington, immediately on the North-west River, the well known place CLARKMOUNT, is offered for sale. It contains about 300 acres of Upland, and 300 or 400 acres of Swamp Lands adjoining; 70 or 80 acres is under cultivation and well adapted to raising Corn, Ground Peas, &c. The place has a commodious dwelling with two brick chimneys, erected last year, with out-houses, &c. The Upland, not cleared, is well timbered with Pine and Hoopoles, and has 10,000 Turpentine boxes, cut last and the present season. It is a very eligible site for Manufacturing, being immediately on the river, between this and Fayetteville a factory would have the advantage of both markets, and be sufficiently removed from intemperance as to insure health to the operatives. The water power is ample, a bold stream passes through the place to the river, with a handsome bluff half a mile in length, just the height for a wharf.

The swamp lands afford good winter pasturage for stock, and an abundance of Ashe and Oak wood, very handy to the water. Seven or eight Negroes with stock of Cattle and Hogs, &c., will be sold with the place, if desirable. Apply on the premises to

THE GOVERNOR'S BID FOR THE ROAD.

From the North Carolina Standard.
Gov. Graham, we understand, gives in his public speeches the following reasons for his enormous bid for the Raleigh and Gaston Road: In the first place, he says the Road is worth the money; in the second place, he says if he had not bid the full amount at the first pop, he would have been run up to it by a combination of stockholders; and in the third place, he says the Road was all the State could get for its debts against the stockholders, and therefore he bid at once the \$363,000. Let us examine this defence.

Is the Road worth the money? If it is, how does it happen that it could not pay even the interest on its bonds? For the proof that it could not, we point to the fact that its profits were sequestered to the State, under the act for its relief, and a Receiver appointed; to the fact that at the last session a Committee reported that it could not keep itself in repair and at the same time pay the interest on \$300,000, to say nothing of the \$500,000; and to the further fact that it was declared by the last Legislature to be insol
